RIVERSIDE FCT LETTER TO AIRMEN NO. 05-1

SUBJECT: AREA OF NON-VISIBILITY

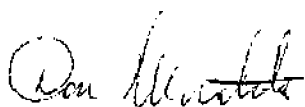

CANCELLATION: November 4, 2007

This letter advises users of Riverside Municipal Airport of Riverside Federal Contract Tower's responsibility with regard to ground movement of aircraft and vehicular traffic.

Due to obstructed vision, Riverside Tower is unable to provide airport traffic control service on Runway 34 from touchdown to the intersection of Runway 9/27 and on Taxiway Bravo.

Inasmuch as these areas are obscured from the tower's view, aircraft operators and/or maintenance personnel are urged to exercise extreme vigilance when operating in these designated non-visibility areas.

If you have any questions or comments regarding the above, please contact Don Morabito, Air Traffic Manager, Riverside FAA Contract Tower, at (951) 687-2114.
